

## **Before Starting the Project Listings for the CoC Priority Listing**

**The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.**

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Additional training resources are available online on the CoC Training page of the HUD Exchange at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

## 1A. Continuum of Care (CoC) Identification

**Instructions:**

The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/ask-a-question/>.

**Collaborative Applicant Name:** Cape Fear Council of Governments

## 2. Reallocation

### Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

**2-1. 2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2019 into one or more new projects?** Yes

### 3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$70,485				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
Families Forward ...	NC0081L4F061710	TH	\$70,485	Regular

### 3. Reallocation - Grant(s) Eliminated Details

**Instructions:**

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

**\* 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

**Eliminated Project Name:** Families Forward Willow Pond Transitional Housing

**Grant Number of Eliminated Project:** NC0081L4F061710

**Eliminated Project Component Type:** TH

**Eliminated Project Annual Renewal Amount:** \$70,485

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

The Project Applicant elected to reallocate the project to create a transition grant that will make more RRH funds available to the CoC to further the goal of ending family homelessness. The CoC has determined that more affordable housing is needed for individuals and families. The project will take 8 of their 12 units of transitional housing and convert those units to affordable housing for the community. The remaining units will be utilized in the TH-RRH model to provide additional time for families to transition from homelessness to housing. The CoC is supportive of the transition as it meets two needs of the CoC and eliminates a more expensive program type.

## 4. Reallocation - Grant(s) Reduced

**CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.**
