The N.C. Department of Transportation is conducting a public meeting regarding the proposal to convert the existing U.S. 17 (Ocean Highway)/N.C. 211 (Southport Supply Road Southeast) at-grade intersection to a grade-separated interchange.

The open-house public meeting is an opportunity for you to provide feedback on the proposed project. You may drop by at any time between 5pm and 7pm to review project information and ask questions. Please note there will be no formal presentation. All comments are welcomed and may be submitted at the meeting or via mail, phone, or email through June 17, 2019.

Maps of projects may be viewed online: www.ncdot.gov/news/public-meetings

NCDOT will provide auxiliary aids and services under the American with Disabilities Act for disabled persons who wish to participate in this meeting. Anyone requiring special services should contact Lauren Putnam at (919)707-6072 or Inputnam1@ncdot.gov as early as possible, so that arrangements can be made.

Connecting people, products, and places safely and efficiently with customer focus, accountability and environmental sensitivity to enhance the economy and vitality of North Carolina.
