NOVEMBER TPD UPDATES CAPE FEAR RPO

NOVEMBER 2020

Brunswick County Model: The Brunswick County Model was completed in February of this year.

Columbus County CTP: Currently the CTP is ready to enter Public Involvement (PI) sessions, but with COVID-19, that has been put on hold.

Brunswick County Comprehensive Transportation Plan (CTP): We have officially started our Brunswick County CTP. Our first meeting was on 10/27/2020 with our Core Steering Committee. Our second meeting will be on December 10th with the entire Steering Committee where we will be presenting "What Is a CTP?", familiarizing our Steering Committee with the process as well as discussing the first deliverables we will be producing for the CTP.

Wilmington Model: The 2045 model is ready for MTP testing. The 2045 model will be considered the official Wilmington MPO Model when the MTP is adopted.

NC Moves 2050: The N.C. Department of Transportation wants your feedback for the NC Moves 2050 Plan, NCDOT's update to the state's long-range transportation plan. Participate by November 9th to provide comments on the recommended actions designed to provide a responsive, connected and inclusive transportation system.

Your feedback will help guide North Carolina's future transportation policies and investments. You can learn more about NC Moves 2050 at www.ncmoves.gov.

The draft recommendations and report were presented to the board of transportation on 10/8/2020 and the 30 day comment period was opened on 10/9/2020. The 30 day

comment period will be open from October 9 to November 9. The NC Moves 2050 Team will be collecting comments in the form of a survey. The survey and draft report are posted on the web at www.ncmoves.gov.

The NC Moves 2050 Teams has also created an information video that can be found at <https://youtu.be/iIYodsTGQm0>.

Strategic Transportation Corridors (STC): All MPOs and RPOs along US 74 have signed resolution letters in support of US 74 and US 321. Starting this month, the STC team plans to meet with MPOs, RPOs and Division individually to discuss the long/short term vision for US 70, US 258/ US 13/ NC 211 and US 117.

Powell Bill Funds: End of September, the N.C. Department of Transportation began distributing nearly \$132.7 million in State Street Aid to Municipalities, also known as Powell Bill funds, to 508 municipalities across the state.

The initial allocation, half of the overall total, went out on 9/28/2020. The other half will be paid by Jan. 1. The number of recipients who applied to be considered for funds is the same as 2019.

The Powell Bill requires municipalities to use the money primarily for street resurfacing, but it can also be used for the construction and maintenance of roads, bridges, drainage systems, sidewalks and greenways.

Contract Awarded to Improve Brunswick County Roads: A recently awarded contract will improve more than 30 miles of Brunswick County roads and ramps.

S.T. Wooten Corporation of Wilson was awarded a \$5.6 million contract in October to mill and resurface lanes and reconstruct shoulders on 33.6 miles of roadway within the county.

The areas of work include one section each of U.S. 17, U.S. 74/76 and N.C. 130 and 11 sections of secondary roads.

The contractor can begin construction as early as mid-March 2021, and it is expected to be complete by October 2022.
