Monday, December 11, 2023, 11:00 am - Executive Committee

The Executive Committee meets in the large conference room, 1480 Harbour Drive, Wilmington at 11:00 am.

Officers and Members-At-Large are appointed annually by CFCOG Member Delegates at Annual Meeting.

Area Agency On Aging

Cape Fear Council of Governments

The Cape Fear Area Agency on Aging (AAA) was established through the Older Americans Act to facilitate and support programs addressing the needs of older adults and their caregivers in Region O. AAAs are overseen by the federal Administration for Community Living and the North Carolina Division of Aging and Adult Services and are charged with providing a comprehensive, community directed service delivery model that meets local needs and preferences. As part of a national network, the Cape Fear Area Agency on Aging works with the lead agency for aging services in each county providing advocacy, planning, program/resource development, information brokerage and funds administration quality assurance. The information presented here contains some program highlights from Fiscal Year 2021-2022.

HOME AND COMMUNITY CARE BLOCK GRANT (HCCBG)

Federal, state, and local funds support the following services delivered within the region: congregate and home-delivered meals; transportation; in-home aide services; legal assistance; adult day care/day health; senior center operations; and information/case assistance/options counseling.

REGIONAL LONG-TERM CARE OMBUDSMAN PROGRAM

180 New clients	1,300 Clients served	259 Closed complaints	140 Closed cases
262 Facility visits	3 Resident Council participations	49 Facility Consultations	20 Services to facility staff

Long-Term Care Ombudsmen are advocates for residents of nursing homes and assisted living facilities. Ombudsmen address complaints, advocate for improvements in the long-term care system, and work closely with Community Advisory Committees to serve as a link between local communities and facilities. In addition, Ombudsmen mediate disputes, provide technical assistance, promote Elder Abuse Prevention Awareness, and provide educations.

EVIDENCE-BASED HEALTH PROMOTION PROGRAM

 2,563 Geri-Fit participants	 117 Tai Chi participants	 21 Walk With Ease participants	 16 Workshop leaders trained
---	--	--	---

PROJECT C.A.R.E. PROGRAM

A state-funded program, Project C.A.R.E. (Caregiver Alternatives to Running on Empty) is a dementia-specific support program for family caregivers. The program, covering a twelve (12) county area, offers the services of a family consultant to provide comprehensive support to caregivers of those with Alzheimer's disease or related dementia in the home setting.

140 Clients served	\$88,000 Vouchers awarded to caregivers
613 Case management hours	176 Vouchers awarded to caregivers

SENIORS' HEALTH INSURANCE INFORMATION PROGRAM (SHIIP)

A consumer information division of the North Carolina Department of Insurance that assists people with Medicare, Medicare Part D, Medicare supplements, Medicare Advantage, and long-term care insurance questions.

 9 Educational events hosted	 \$20,584 Paid to public transportation advertising	 11 Million impressions from billboards and bus wraps
---	--	--

FAMILY CAREGIVER PROGRAM

811 Caregivers received general information or assistance	47 Education events provided across the region	441 Caregivers received direct support	The Family Caregiver Support Program provides information, resources, case assistance, free educational programs in the community, and advocates for family caregivers of older persons.

CAPE FEAR HOMELESS CONTINUUM OF CARE

The Cape Fear Homeless Continuum of Care (CFHCoC) is the HUD-approved Homeless Continuum of Care (CoC) for the City of Wilmington, Brunswick, New Hanover, and Pender Counties. The CFHCoC is an alliance of service providers, local government agencies, health-care agencies and other community stakeholders whose goal is to reduce and ultimately eliminate homelessness in our region. The Continuum of Care's responsibilities include coordination of services and housing resources for those experiencing homelessness as well as ensuring recipients comply with grant funding requirements and operate in a fiscally responsible manner.

The CFCOG serves as the administrative home for the CoC, providing staff and fiscal sponsorship to the alliance. On an annual basis, staff organize and collaborate on State and Federal grant competitions with the community bringing in approximately \$835,000 in funding to provide emergency services and homeless housing programs to support individuals and families who are experiencing homelessness.

The CoC staff works with CFHCoC members and the CoC Board to create best practices, improve data collection, improve data quality, broaden relationships, and strategically address needs within the community.

PROGRAM HIGHLIGHTS FY 2021-2022

\$163,396

Federal funds distributed to community partners for emergency shelter, rapid re-housing, street outreach, and data management

\$770,865

Federal funds distributed to community partners for transitional housing, rapid re-housing, permanent supportive housing, and CoC planning

63

LOCAL GOVERNMENT SERVICES

The Local Government Services (LGS) department provides member governments with a wide variety in four broad categories: Management, Planning, Transportation, and Data & Mapping. The department provides knowledge, experience, and staffing to supplement and extend member government capacity to meet the needs of our communities.

MANAGEMENT SERVICES

This section Includes personnel and pay studies, codes of ordinances, human resources and financial consulting, infrastructure asset management planning, grant writing and administration, and training and retreats for elected and appointed boards.

PLANNING SERVICES

Staff engage in long-range planning activities such as comprehensive plans, land use plans, hazard mitigation plans, park and recreation master plans, small area plans, and special studies; and current planning activities such as development review, development regulations, and zoning administration.

TRANSPORTATION SERVICES

This aspect entails staffing and administration of the Cape Fear Rural Transportation Planning Organization (RPO), which provides transportation planning and advocacy for our non-metropolitan areas, as well as special transportation studies like corridor plans, bicycle and pedestrian plans, and parking and sidewalk inventories.

MAPPING, DESIGN, AND DATA SERVICES

The department assists with GIS mapping and spatial data analysis; GPS data collection and infrastructure mapping; 2- and 3-dimensional conceptual designs; and data access and management consulting. We develop and maintain several spatial databases of local facilities like sidewalks and parks, as well as serving as the regional State Data Center Affiliate.

Conceptual rendering from the Draft Southport Yacht Basin Mobility Study

The Cape Fear Council of Governments (CFCOG) administers the federal workforce programs authorized by the Workforce Innovation and Opportunity Act (WIOA) that help job seekers access employment, education, training, and support services to succeed in the labor market and match employers with the skilled workers they need to compete in the global economy. A cornerstone of the public workforce investment system in North Carolina is the NCWorks Career Center which brings together key employment, education, and training programs. The Cape Fear Council of Governments Workforce Development staff is responsible for allocation resources and monitoring program activities. The staff work at the direction of the Cape Fear Workforce Development Consortium and the Cape Fear Workforce Development Board (CFWDB), which is responsible for planning and oversight to workforce activities for jobseekers and employers across our region. Program information and highlights are provided for Fiscal Year 2021-22.
