

Cape Fear Council of Governments

2023 PUBLIC OFFICIALS DIRECTORY

Greetings Cape Fear Region,

The Cape Fear Council of Governments is pleased to present the 2023 Public Officials Directory. We hope that you will find this directory to be your one-stop resource to access contact information for elected officials and key staff for all of the local governments in Brunswick, Columbus, New Hanover, and Pender counties, as well as for our region's congressional and legislative delegations. For your convenience, we've also included a directory of UNC School of Government staff.

The Public Officials Directory also contains the Cape Fear Council of Governments Annual Report, which includes information about the programs we administer and the services we provide to our members, highlights from the prior fiscal year, and contact information for our staff who are always ready to assist you.

A PDF version of this directory is available on the Cape Fear COG website at www.capefearcog.org and is updated periodically throughout the year as information changes. We hope this directory is useful in your work on behalf of the Cape Fear Region.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "A. Serkin".

Allen Serkin
Executive Director

Cape Fear Council of Governments

ANNUAL REPORT

The Cape Fear Council of Governments (CFCOG) is a regional association of local governments in southeastern North Carolina and one of 16 regional councils in the state. Serving Brunswick, Columbus, New Hanover, and Pender counties and their 40 municipalities for over 50 years, the CFCOG is committed to provide regional solutions that improve the quality of life for the nearly 500,000 citizens we serve. First chartered in 1967-68 by Brunswick and New Hanover counties and their municipalities and expanded in 1970-71 to include Columbus and Pender counties and their municipalities, the CFCOG was designated by the state in 1972 as the Lead Regional Organization for the 4-county region (Region O) to consolidate many of the duplicative regional governmental functions into a single locally-focused and locally-governed agency.

The Council's general membership is comprised of a delegation of local elected officials who are annually appointed from among each member jurisdiction's governing board. The primary responsibility of the appointed delegates is the election of the Council's officers and the remaining members of the Executive Committee at the annual General Membership meeting. Delegates also generally serve as their local government's primary point of contact for Council matters and act on any other matters brought before the general membership. The 9-member Executive Committee serves as the Council's governing board and, as a result, the CFCOG is governed by a select group of elected officials from across the four counties who are chosen by their peers to serve the greater good of the region.

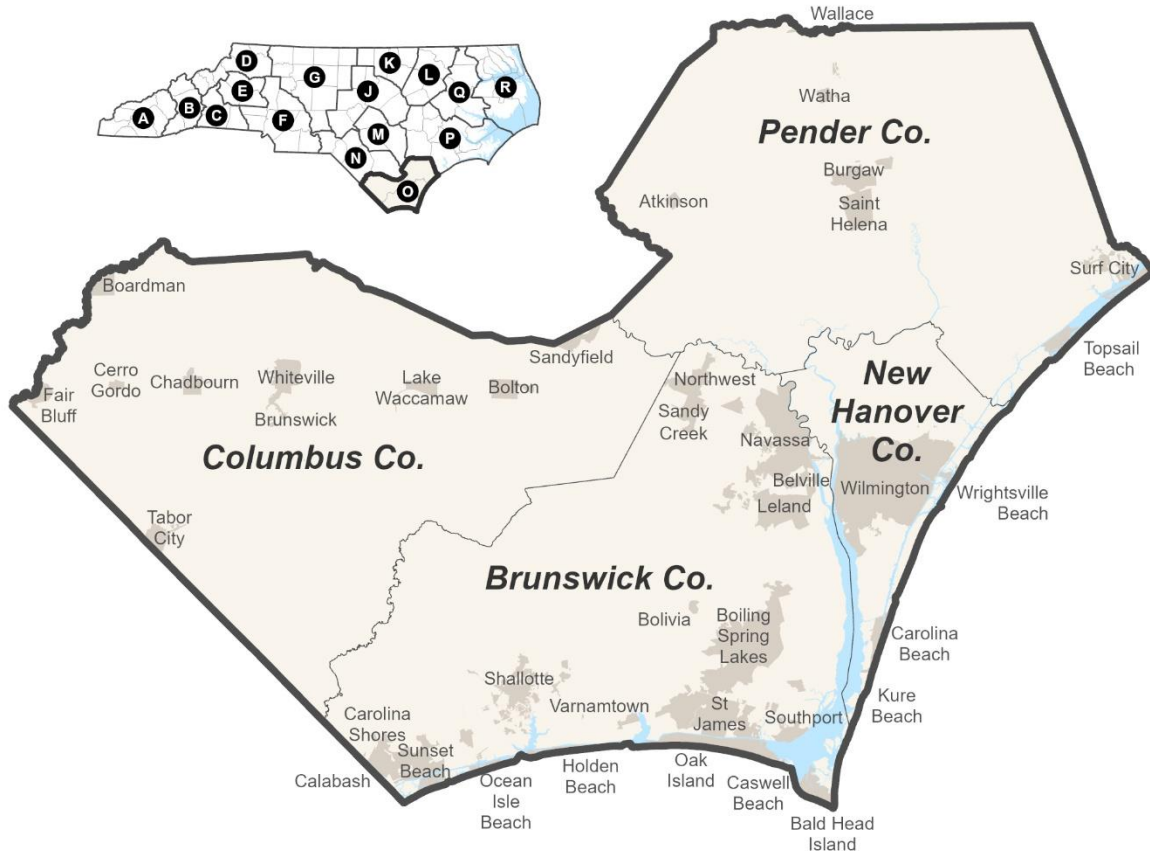

The CFCOG serves the region by convening regional elected and appointed officials to achieve common purpose solutions; by providing planning, management, and other technical assistance and support to local governments of the region; and by administering a variety of state and federal programs and grants that benefit the citizens of the region.

In Fiscal Year 2021 -22, the CFCOG operated an annual budget of more than \$11 Million, approximately 70% (\$7.7 Million) of which is from federal sources and another 23% (\$2.5 Million) of which are state funds. The majority of the remainder of revenues are primarily fee-for-service contracts, grant matching funds, local project funds, and member dues. Over \$8 Million was passed through to our community partners, including our county aging providers and workforce development contractors. Our unassigned fund balance in our General Fund is \$689,186, which represents 24% of our current annual operating expenditures and 6% of our total annual budget including pass-through funds.

The CFCOG operations are organized into two administrative departments and four programmatic departments: the Area Agency on Aging, the Homeless Continuum of Care, Local Government Services, and Workforce Development.

Area Agency On Aging

Cape Fear Council of Governments

The Cape Fear Area Agency on Aging (AAA) was established through the Older Americans Act to facilitate and support programs addressing the needs of older adults and their caregivers in Region O. AAAs are overseen by the federal Administration for Community Living and the North Carolina Division of Aging and Adult Services and are charged with providing a comprehensive, community directed service delivery model that meets local needs and preferences. As part of a national network, the Cape Fear Area Agency on Aging works with the lead agency for aging services in each county providing advocacy, planning, program/resource development, information brokerage and funds administration quality assurance. The information presented here contains some program highlights from Fiscal Year 2021-2022.

HOME AND COMMUNITY CARE BLOCK GRANT (HCCBG)

CAPE FEAR HOMELESS CONTINUUM OF CARE

The Cape Fear Homeless Continuum of Care (CFHCoC) is the HUD-approved Homeless Continuum of Care (CoC) for the City of Wilmington, Brunswick, New Hanover, and Pender Counties. The CFHCoC is an alliance of service providers, local government agencies, health-care agencies and other community stakeholders whose goal is to reduce and ultimately eliminate homelessness in our region. The Continuum of Care's responsibilities include coordination of services and housing resources for those experiencing homelessness as well as ensuring recipients comply with grant funding requirements and operate in a fiscally responsible manner.

The CFCOG serves as the administrative home for the CoC, providing staff and fiscal sponsorship to the alliance. On an annual basis, staff organize and collaborate on State and Federal grant competitions with the community bringing in approximately \$835,000 in funding to provide emergency services and homeless housing programs to support individuals and families who are experiencing homelessness.

The CoC staff works with CFHCoC members and the CoC Board to create best practices, improve data collection, improve data quality, broaden relationships, and strategically address needs within the community.

LOCAL GOVERNMENT SERVICES

The Local Government Services (LGS) department provides member governments with a wide variety in four broad categories: Management, Planning, Transportation, and Data & Mapping. The department provides knowledge, experience, and staffing to supplement and extend member government capacity to meet the needs of our communities.

MANAGEMENT SERVICES

This section includes personnel and pay studies, codes of ordinances, human resources and financial consulting, infrastructure asset management planning, grant writing and administration, and training and retreats for elected and appointed boards.

PLANNING SERVICES

Staff engage in long-range planning activities such as comprehensive plans, land use plans, hazard mitigation plans, park and recreation master plans, small area plans, and special studies; and current planning activities such as development review, development regulations, and zoning administration.

TRANSPORTATION SERVICES

This aspect entails staffing and administration of the Cape Fear Rural Transportation Planning Organization (RPO), which provides transportation planning and advocacy for our non-metropolitan areas, as well as special transportation studies like corridor plans, bicycle and pedestrian plans, and parking and sidewalk inventories.

MAPPING, DESIGN, AND DATA SERVICES

The department assists with GIS mapping and spatial data analysis; GPS data collection and infrastructure mapping; 2- and 3-dimensional conceptual designs; and data access and management consulting. We develop and maintain several spatial databases of local facilities like sidewalks and parks, as well as serving as the regional State Data Center Affiliate.

PROGRAM HIGHLIGHTS FY 2021-2022

Conceptual rendering from the Draft Southport Yacht Basin Mobility Study

The Cape Fear Council of Governments (CFCOG) administers the federal workforce programs authorized by the Workforce Innovation and Opportunity Act (WIOA) that help job seekers access employment, education, training, and support services to succeed in the labor market and match employers with the skilled workers they need to compete in the global economy. A cornerstone of the public workforce investment system in North Carolina is the NCWorks Career Center which brings together key employment, education, and training programs. The Cape Fear Council of Governments Workforce Development staff is responsible for allocation resources and monitoring program activities. The staff work at the direction of the Cape Fear Workforce Development Consortium and the Cape Fear Workforce Development Board (CFWDB), which is responsible for planning and oversight to workforce activities for jobseekers and employers across our region. Program information and highlights are provided for Fiscal Year 2021-22.
